On January 31, 1963, a visit was made to the Board of Medical Examiners office at 28 West State St., Trenton, N. J. (telephone No. [illegible] 2-2181, Ext. 272). I identified myself to the secretary of [illegible] Chairman of the Board, and explained the purpose of my visit. The secretary called [illegible] and obtained permission for me to review the Board's minutes for 1950, 51, and 52. The minutes for these 3 years were reviewed and in only one instance was the Hubbard Dianetics Foundation, Inc. mentioned.

The Board meeting of October 11, 1950 with Dr. David B. Allman presiding and Dr. E. S. Hallinger, Secretary, made the following mention of Hubbard Dianetics Foundation, Inc., "The Hubbard Dianetic Research Foundation of Elizabeth, N. J. is conducting a medical school without a license and practicing medicine. This Foundation charges $500 for a course of one month and we have been told upon completion of same they issue a certificate or diploma with an 'M.D.' degree, meaning Master of Dianetics. These people treat by mental means only.

After some discussion [illegible] moved, 'That the Secretary be instructed to write a letter to the Attorney General stating that this matter has been referred to us and the Board is without jurisdiction and request him to refer it to the porper authorities - in our opinion it is a vital matter and we are deeply interested in the disposition made of this case.' Seconded by [illegible] and unanimously carried."

[illegible] secretary indicated that all records prior to 1960 relating to the illegal practice and the Illegal Practice Committee are kept at the Attorney General's office, 1100 Raymond Ave.,
